Revitalizing Our Languages

**with special guests from
Aotearoa (New Zealand)**

The Hei Family have become strong advocates for the revitalization of the Maori language and identity of their people. They have taught in all sectors of education in New Zealand from early childhood to tertiary focused on language, identity, Kaitiakitanga (guardianship), and traditional maori performing arts.

Discussion will include:

- ★ Marau-a-kura (school curriculum) as a proven model with over 7 years of data: a graduation rate of 98% and full fluency in the Maori language
- ★ How to create an effectiveness framework for language instruction using identity and well-being as the foundation of learning

Hosted in Deshkan Ziibiing
(Chippwas of the Thames First Nation)
Antler Elementary School
324 Chippewa Road
Muncy, ON

10:00am to 3:00pm

Sponsored by FNMIEAO
